BOGDANICH BOGS DOWN

High School Annex Builder Asks 4 Months More On Job

Builders of Washington High School's \$1,000,000 annex this week requested another four months to finish the job.

State Okehs WT Hospital Plans

Approval of the state fire marshal has been given plans for Washington Township's Community hospital, it was announced today by L. S. Whitaker, president of hospital trustees.

This was the last barrier to getting construction of the \$1,250,000 structure underway.

Whitaker said trustees would authorize a call for bids at the regular board meeting on December 1.

Bogdanich & Co., San Jose contractors in a letter to Supt. J. V. Gould, begged for the extension on the grounds that labor troubles and shortage of key supplies have delayed work far past the original November 15 deadline.

Gould said he will present the request to the Trustees at their December 6 meeting.

The Bogdanich contract has a penalty clause for such eventualities, but these (1) are difficult to enforce and (2) do not force the work to be done.

With some 1250 youngsters in school, and enrollment increasing daily, Gould had hoped to be able to house many in the new classrooms after January 1. The Bogdanich request would push completion to March 15.

grows large enough to support" it.

Humpert's report added that a 15-acre center already has been approved by the chamber next to the grammar school, and that this is sufficient for Irvington's needs. However he stressed that the committee "isn't closing the door" on the Davis-Stevenson center in the future.

Stevenson argued in vain that surveys show \$18,000,000 out of the Township's \$24,000,000 retail buying power now goes outside the area because retail business here isn't big enough to hold it.

Other members of the Humpert committee are Wallace Pond, John Wipfl, Jack Parry and Allan Hirsch.

On the matter of Newark's cityhood aims, Hirsch successfully proposed that the County Boundary Commission and Supervisors be informed by letter that Irvington views with disfavor any move by Newark to include part of the Irvington School District in its proposed

boundaries.

Since a Newark committee has sought to push the south boundary to PG&E Road, this would take in part of the Irvington School District, which goes up to Mowry Road, more than a mile to the northwest.

Stevenson, who has extensive property holdings in the disputed area, said he is firmly opposed to joining Newark, since the "natural" flow for drainage and sewage is toward Irvington.

The Hirsch resolution included a statement that while Irvington is behind present moves for study of Township-wide incorporation, it also opposes Newark's "solo" bid for cityhood as far as the boundaries are concerned.

Members reasoned that if Township cityhood fails, Irvington may want to form its own "city", and that this should include the entire school district.

President A. E. Alameda said he will call a directors' meeting to tackle the problem.

Sewer Bonds Go To B.of A.

Low bidder on \$200,000 worth of Union Sanitary bonds Monday night was the Bank of America, at an interest rate of 2.826 percent.

Total interest cost of the district over a 20 year period will be \$59,336, according to President George Coit.

There were five bidders on the bonds, which are being used to extend service into the Alviso District north of Centerville.

Irvington C.of C. Opposes Giant Shop Center, Protests Newark City Limits 'Invasion'

The Irvington Chamber of Commerce this week voted (1) to deny a zoning change which would pave the way for a proposed \$4,000,000 "regional" shopping center at PG&E Road, and (2) to protest Newark's plan to include part of the Irvington School District in the "City of Newark."

The turnout didn't faze the Stanley Davis Organization, which, with John L. Stevenson, is promoting the big shopping center. Ted Leslie, Davis executive, said the firm will press for commercial rezoning November 29 before the County Planning Commission.

"Why deny us the right to spend our money in this community?" demanded Leslie.

But members voted, 11-3, to accept the report of a zoning committee headed by Bill Humpert. He read a statement arguing that Irvington's present size doesn't warrant a development as large as the 32-acre one on PG&E Road and Highway 17, "at this time, or at least until our community

Bank of America Building Starts December 1

Ground will be broken for the large new Bank of America branch quarters in Centerville on Wednesday, December 1, it was announced today by Loren C. Marriott, manager of Centerville Branch.

A project involving the investment of approximately \$195,000, the new building on North Main Street is to be located on a 32,500-square foot lot adjacent to the proposed new shopping center, which is to be erected by the Moyer

Realty Company. Both the bank and the shopping center will be served by a joint parking lot for customers, insuring adequate accommodations for the motorist.

Of the total 60-by-130 foot floor space of the bank building, some 3,000 square feet are to be utilized as a store rental area. The bank portion will have a public lobby of nearly 2,000 square feet equipped with 14 teller windows and a six-desk loan officer platform. These facilities are more than

double those of the present branch.

Furniture and fixtures will be of the latest design, and will include fluorescent lighting, acoustical ceiling, and a complete heating and ventilating plant. A large new vault will make available to Centerville residents some 2,000 safe deposit boxes.

Present plans call for completion of the structure by the end of next summer. The site is one block north of the present branch building.

Yule Lights Set In Most Towns Here

Christmas lights are ready to install in most Township communities this week.

In Centerville, Harry Weber reported for his lighting committee of the Chamber of Commerce on Monday that 15 strings of overhead lights will be installed in Main Street and one on Fremont Avenue, starting early Sunday.

Weber said this is the only safe time to put up the lights since traffic is too heavy during the rest of the week.

Phil Willis reported for the parking-lot committee that wet weather had put the work three weeks behind schedule. Willis said he was told by Clements & Co., contractor who is donating much of the work, that it is now doubtful the lot will be ready in time for use at the Merchants' Christmas Festival on December 18.

Secretary LeRoy Brown reported the State Division of Highways promised by letter to paint another Main Street crosswalk at Rose Court, opposite the Center Theatre.

At Willis' suggestion, it was decided to write the Highway Patrol thanking the officers for recent strict patrolling, which has resulted in many Main Street arrests and a general easing of the speed situation.

Thomas Furtado, Centerville, Dies

Thomas Furtado, age 53, died at his home on Mowry Road in Centerville on November 19.

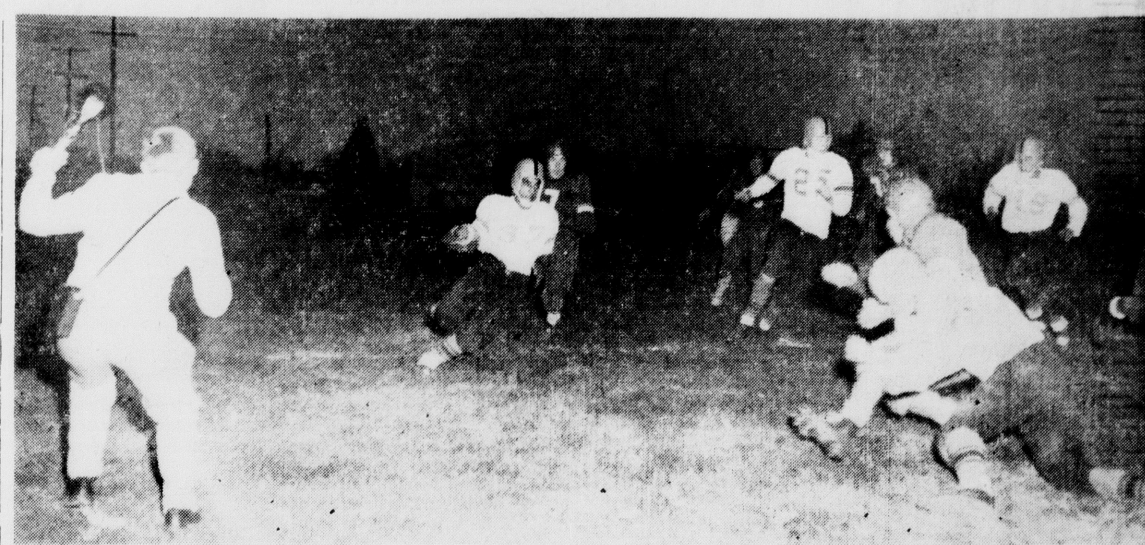

He was the husband of Verne Furtado and father of Mrs. Shirley Peixoto, Santa Clara and Donald Furtado, Los Angeles, the brother of Joseph L. Rose M., Mary Furtado, Louise Rose, and Mrs. Rita Oliveria of Centerville; John Furtado, Irvington; the late Manuel Furtado, Centerville, and the late Joaquin Furtado of San Jose. He was the grandfather of Marvin Pachote, Santa Clara.

Funeral services were held at the Chapel of the Palms, Mass was at Holy Ghost Church. Interment was at Holy Ghost Cemetery.

Niles Canyon Rd. Signals Okehed

Long-awaited traffic signals were approved for the Niles Canyon Road-Highway 9 intersection Tuesday.

County Supervisors signed an agreement with the State permitting installation of the lights. Cost to the county was estimated at \$4100, according to Supervisor Chester E. Stanley.

Appeal Nets Ride For Barbara Jean

A newspaper story this week brought hope that a 3-year-old Irvington girl may receive needed therapy to combat cerebral palsy.

Last week's issue of the NEWS-REGISTER told how little Barbara Jean, one of six children, needed weekday transportation to Decoto, where she could get a bus to Hayward's famed Sunrise School for cerebral palsy sufferers.

Today Red Cross workers, through Mrs. Sophie Quartaroli of Niles, were on record with four days of rides for Barbara Jean, and a growing fund and kindhearted offers appeared to insure a ride for her the fifth day.

Mrs. Quartaroli and her co-workers will take the child to the bus and pick her up. The fund will purchase gasoline and other transportation. First \$10 check came to Irvington School Supt. Gus Robertson from Robert W. Thomas, San Jose broker, who read of Barbara Jean's plight in these columns.

Robertson said additional donations are welcome.

Barbara Jean's doctor says therapy at Sunrise School has a good chance of restoring the tiny victim to a normal existence. Her parents are virtually without funds since illness hospitalized her father several months ago.

Huskies Outplay Campbell But Lose 20-13, To Conclude Grid Year

By STUART NIXON

Scheduled to lose by four touchdowns, Washington Hi's gridiron warriors played a heavier Campbell eleven off their feet in the second half and barely lost their final game of the 1954 season last Friday.

The score was 20-13, but Husky fans who made the trip to Campbell felt their team could have beaten the league champs if they had started earlier.

It was the Huskies' best effort of a lackluster year. QB Tino Rangel was on target with his passes, completing 10 for 15 and 108 yards, while 130-pound workhorse Eddie Fletcher and burly Sophomore Ron Masuda trampled Buccaneer defenders twice their size.

Campbell got the jump with an 18-yard touchdown pass. Quarterback Eppli Gallego to End Tony Schraub, before the game was five minutes old. Rex Kendall added the extra point.

Then in the second quarter after a 50-yard punt by Rangel, the Buc passing attack worked again to set up a score. Schraub on an end-around hurled 43 yards to Dick Knott, and a moment later, Rex Cahill bulldozed over from the two.

With a missed conversion, Campbell led at the half, 13-0. Coaches Clyde Voorhees and Jim Sperou infused fire into the down-trodden Washingtonians at halftime. They came out swinging.

On the first scrimmage play, Masuda broke through center from his own 40 for eight yards. Fletcher added seven. Three plays later Masuda crunched down to the Campbell 31, then alternating with Fletcher, plowed to the 20.

Rangel went back to pass and on the option circled right end for 17 yards. Halted momentarily on the three, Tino passed to Halfback Al Rodriguez, who made a leaping catch in the end zone. A pass for the conversion was blocked, and it was 13-6.

Washington kept control through the rest of the quarter with Masuda and Fletcher banging for consistent gains, but was unable to score. Conrad Preciado recovered a fumble on the Buc 31 but the Husky battering-ram was blunted on the 26.

The Bucs staged a spurt and tallied the game-winning TD in the final stanza with Jess Harrison smashing over from two yards out.

Then the Huskies took over and scored in four plays. Fletcher ran the kick out to his 37, hauled in a pass on the Campbell 45 for an 18-yard gain. Rangel faded to pass, found his receivers covered, and ran the end again for 24 yards to the 21. Then he tossed to

Flood Bonds Win Backing Of Citizens

A citizens' committee was formed here today to back passage of flood-control bonds for the Central Township in a December 7 election.

Chairman of the committee is L. S. Williams, Centerville rancher and longtime advocate of conservation and drainage.

Serving with Williams are Judge Allen G. Norris, Judge E. A. Quaresma, Father Vincent I. Breen, Rev. Arthur Freeman, Mrs. Laura Thane Whipple, Robert A. Blacow and Harry Weber.

Blacow is treasurer for the committee and Weber vice-chairman. Also in the picture is the Glenmoor Gardens Homeowners Association, headed by Noel Diamond, president.

The committee stressed the importance of the flood bonds to continued orderly growth of the Niles, Centerville, Newark and Decoto areas.

The \$3,987,000 bond issue will provide drainage canals to open the region for homes and factories, and to pave the way for federal work on Alameda Creek, whose periodic floods have been a drawback here throughout the Township's history.

The bonds will be sold as needed, and taxes will be held to a maximum of 50 cents per \$100. As the committeemen point out:

"This means about 90 cents per month on the 'average home'."

Other committee members are to be named this week.

Wright Quits, Mrs. Buehler New Planner

R. J. Wright of Irvington resigned Tuesday as Washington Township's member of the Alameda County Planning Commission, and Mrs. Florence Buehler of Niles was named to succeed him.

Mrs. Buehler's appointment marks the first time a woman has been a member of the commission which has the job of planning and zoning Alameda County's unincorporated areas.

Wright told the Supervisors he wants to devote more time to his work as chairman of the Irvington Sanitary District, to his private business. He said he has been in poor health.

Wright has been a member of the commission for 20 years, and was its chairman for eight. Mrs. Buehler is a graduate of San Jose State College, graduated from the University of California's School of Social Welfare, and now serves as a member of the Niles School trustees.

Wife of Dr. Lyle Buehler, a physician, she has lived here since 1941. The Buehlers have three sons, all in school. Mrs. Buehler also is secretary of the Council of Southern Alameda County Communities.

Her appointment was foreshadowed last week when Supervisor Chester E. Stanley told his colleagues "a civic leader and clubwoman" should be named to the commission.

Stanley was carrying the ball in an argument aimed at adding two more rural commissioners to the group.

OFFICERS—of the new Washington Township DeMolay chapter were installed here Saturday night at ceremonies instituting the local organization. Left to right are: Fletcher Greathouse, junior counselor; Jacob Koelsch, chairman of the advisory council; Ray Fields, master counselor; Robert Beck, senior counselor.

History Group Named For Park Study

Mrs. James B. Whipple of Niles is honorary chairman of a committee to promote a regional park for Washington Township.

Mrs. Whipple was appointed this week by George Roeding Jr., president of the Washington Township Historical Society. The committee was authorized several weeks ago by the society, after hearing about the East Bay's Regional Park System from one of the system's officials Robert Sibley.

Others serving with Mrs. Whipple are Mrs. Roland Bendel, John Stocking, Herbert Harrold and Paul Power.

Sibley told the society parts of the Township "are among the most beautiful in the world, and are of historical significance, and should be preserved."

Roeding did not indicate what areas would be considered in the committee's study, but Niles Canyon and the Bay shoreline were under discussion by the group.

Women Will Discuss Issues

Three burning Township issues will be considered by Women for Better Government here at a meeting November 30. They are:

1. The study for self-government in the township.
2. The bond election for Zone 5 of the Alameda County Flood Control and Water Conservation District on December 7.
3. The proposed Township-wide recreation district.

All will be discussed at the session to be held at 10 a.m., in the county office building.

Women interested in a non-partisan study of community affairs are invited to attend, according to Mrs. Kenneth Goodwin of Centerville president of the group.

Decoto 'School' For Teachers

A day-long in-service training session for teachers of Decoto Elementary School district was held Wednesday.

An evaluation of the Decoto curriculum, topic of the program was "Where Do We Go From Here?" Teachers discussed administrative assistant and principal Decoto curriculum.

Supt. Harold Schoenfeld spoke on "Problems in Education." Assisting were George P. Rusteika, coordinator of elementary education, and Daniel E. Johnson, school psychologist, both from the county Superintendent's office.

Boyd Morningstar, Decoto ad-strengths and weaknesses of cipal of Barnard school was general chairman of the day. Committee members assisting him in the plans included:

S. Robert Infelise, principal of Hillview Crest school; Kenneth G. Crump, principal of Decoto school; Regge Minnitte, vice principal at Barnard; Mrs. Gladys Gauze, vice principal at Hillview Crest; and Neal Kaufman, vice principal at Decoto.

Fifty-two Decoto school teachers took part in the work session.

Speech Arts Play Success At Washington Hi

"Curse You, Jack Dalton," an old time melodrama complete with hero, heroine, and villain, was presented to the Washington Union High School student body on Monday and Tuesday.

The one-act play was a project of Ronald Lambert's fourth-period Speech Arts class. Fletcher Greathouse played the part of the hero, Jack Dalton, while Bertha, "the fair young thing," was played by Fat Spurgeon. Hector Hardcourt, a sinister individual, was handled by Gene DeValle. Donna Bettencourt, Becky Overacker, Gilbert Prevette, Joan Ross, Jackie Vogt, Charlene Conklin, Marveen Lofton, Edwina Knox, and Joe Alter also contributed to the production.

Kiwanis View Lifesaving Test

A demonstration of the use of a resuscitator and inhalator as life saving devices was given before the Kiwanis Club last week by the Newark Fire Department.

R. C. "Jake" Springer, fire commissioner, played the role of victim and he was "revived" by Harold Calderia, regular fireman, and Maurice Calderia, volunteer.

Fire Chief Joe Pashote, program chairman, explained the value of the equipment, which cost over \$600, "cannot be measured by dollars and cents, but in relief it brings to victims and lives it saves." He estimated that in the four years the N.F.D. has had the equipment it has answered more than fifteen calls for its use.

He said the resuscitator has saved at least one life, that of a woman whose breathing had stopped completely from the effects of carbon-monoxide fumes before the resuscitator squad arrived. Pashote said it has also been used to relieve respiratory congestion in severe asthma attacks.

Teel Speaks To Irvington PTA

The November meeting of the Irvington P.T.A. held November 4 had as guest Harold Teel, Director of Hayward Recreation Park and Parkway District, who spoke on recreation and its importance, and also showed colored slides of various parks and playgrounds in Alameda County.

The 7th & 8th grade students held a panel discussion on Juvenile Delinquency — its causes and ways to correct the situation. The students also discussed their various hobbies which were on exhibit.

Mrs. Thomas Faria, chairman of the Whist Party wishes to thank merchants for their kind donations.

Big Game Fete At Castlewood

It was a gala Big Game Night at Castlewood Country Club last Saturday, and Washington Township was well represented.

Glimpsed reliving the 28-20 thriller were Judge Allen G. Norris, Vernon Rose and Louis Cardoza.

A family table included Wallace Pond, his father, his sister, Mrs. Joseph Rose, and Miss Rosaline Egan.

Dr. and Mrs. Raymond Colburn, who are building a home at Warm Springs, were hosts to a large party which included the Jack Proutys.

Vernon Ellsworth escorted two ladies. The Jerry Sletten were noted at a table, as were the Clyde Hewitts. The Jack Stevensons attended the game in the club bus, but left early for another party.

Newark Scouts' Court of Honor

Two of Newark's Boy Scouts moved a step nearer to the coveted Eagle Scout rating when they were presented the Star Scout Award at a Court of Honor held last Monday, November 22, at 7:30 p.m. in the Newark Youth Center on Ash Street.

Recipients of the Star Awards were Michael Collins, son of Mr. and Mrs. James Collins; and Kenneth Andrus, son of Mr. and Mrs. Ronald Andrus.

Scoutmaster Edwin Maughan announced the names of other badge earners in Troop No. 1 who were presented their awards at the same ceremony. Tenderfoot awards went to: James Adamson, Roger Mollett, Clifford Meek, Douglas Harris and James Robertson.

Second class awards were received by: Gene Gastelum, Raymond Kahler, James Robertson, Mark Runnels, and Felix Samorano. Igor Skaredoff was given the First Class Scout award.

Frank C. Robertson of Central Avenue has volunteered to serve as Assistant Scoutmaster. He was welcomed by the Troop at the meeting.

Alden Christensen To Wed Ft. Bragg Girl In December

Mr. and Mrs. Jack Luoma of Fort Bragg have announced the engagement of their daughter, Ruth Helen, to Alden B. Christensen, son of Mr. and Mrs. Anker B. Christensen of Centerville.

Ruth graduated from Fort Bragg High School with the class of 1950, attended Heald's College in San Jose, and has been employed there by New York Life Insurance Company. Alden, an alumnus of Washington Union High School, has been employed at the Service Press in San Leandro since his discharge from the Army in November.

The couple plan a December wedding and will make their home in San Leandro.

Christmas Workshop For Adult Girl Scouts Dec. 3

A Christmas workshop will be conducted at the December meeting of the Adult Girl Scouts District by Mrs. Donna Kennedy of Newark.

The meeting will be held at 9:30 a.m. at Niles Congregational Church Hall on Friday, December 3.

Mrs. Marjorie Hadley, Irvington, District Chairman, will preside over the meeting. Discussion will center on Christmas week plans; making favors and singing carols at rest homes as well as a Township-wide Girl Scout get-together, according to Mrs. Vera Taylor, publicity chairman.

Alvarado Farm Home Meeting

The Alvarado Farm Home Department met at the Parish Hall November 18 with Chairman Elsie Madruga presiding.

A program, "Emergency Meals", was conducted by Project Leaders Mrs. Edith Mello and Mrs. Mae Williams. Plans were completed for the County Committee meeting and Christmas party to be held December 1 at Crow Canyon Chateau with the local department as hostess. The luncheon will be served at 12:30, followed by a short business meeting, program and exchange of gifts.

Date for the December meeting has been changed to December 16. This will be a Christmas party, beginning with a turkey dinner at 12:30 at the Parish Hall, Centerville, followed by a meeting, exchange of gifts and an afternoon of whist.

The following committee is in charge of arrangements: Mesdames Marie Williams, Minnie Silva, Jessie Murphy, Belle Silva and Mamie Perry.

Buehlers Hosts At Family Fete

There will be a family gathering at the home of Dr. and Mrs. Lyle Buehler of Niles and their three boys for Thanksgiving Day.

Guests will be Dr. and Mrs. Merle Buehler and their 3 boys of Centerville, Mrs. Lyle Buehler's mother, Mrs. Grace Jewel, and Mrs. Merle Buehler's parents Mr. and Mrs. Joseph Hall of Watsonville, Mr. and Mrs. Frank Sproul of Aromas, aunt and uncle of the Buehler boys; also their cousin Miss Lillian Buehler and her roommate Minnie Drew of Salinas.

Arriving from Hawaii in time for the holiday will be James Youd, brother-in-law of Mrs. Lyle Buehler, and his business associate James Wilkinson. Youd and Wilkinson are associated with Dole Pineapple Company in Hawaii.

Mrs. Clara Buehler, mother of Lyle and Buehler, in a local resthome, unable to attend the gathering, will be missed.

St. Mary Mothers Seek Members

A drive for new members was launched at last Friday's meeting of the Mothers Guild of St. Mary of the Palms.

The campaign, to be directed by membership chairman, Mrs. William Pessagno, will continue until the January 28 meeting of the Guild. Mrs. Pessagno will be assisted by Mrs. Raymond Anderson, Mission San Jose; Mrs. John Calcagno, Irvington; Mrs. F. J. Silva and Mrs. Bernard Smith, Centerville; Mrs. J. E. Kettman, Newark; and Mrs. Gene Pessagno, Niles.

The Guild will conduct a rummage sale December 9, 10 and 11 at the residence of Mrs. Anderson, 309 Jerome Avenue, Mission San Jose.

Room-mother Chairman Mrs. Marjorie Janssen, requested seventh and eighth grade mothers to bake cupcakes to be sold to the school children Thursday, December 2, and announced that Christmas parties will be held in the classrooms Friday afternoon, December 17, the last day of school.

Thank You Note

The Dime-a-Dip fund raising dinner held by the Women's Societies of the Newark Presbyterian Church was a big success, according to Mrs. Vinna Pool and Mrs. Annie Klous, co-chairmen.

The Societies wish to thank all the people who donated food to make the event a success.

Junior Women Planning Project

December 3 and 4 were the dates set at the last regular business meeting of the Washington Township Junior Women's Club, held at the home of Mrs. Paul Melvin, 424 Westwood, Centerville, on November 18, for the Club's first ways and Means Project.

Mrs. James Herd, Chairman, gave final plans for the sale of party and children's aprons as well as other novelties to be held in front of the Centerville Safeway Store on these dates.

Mrs. Howard Overacker, club advisor from the Country Club, extended an invitation to the Junior membership from the Home Arts Section of the Country Club to their Christmas Tea to be held Tuesday, December 7 at 3 p.m. at the club house.

Mrs. Overacker also invited the members to a showing of Christmas decorations, sponsored by the Senior Federation to be held December 9 in Oakland.

A report was given by Mrs. Robert Drouin of the joint Junior-Senior Executive Board meeting, held at the home of Mrs. Anthony Alameda, Irvington, to correlate the by-laws of the two organizations.

First reading of the new by-laws will be at the business meeting to be held Thursday, December 9 at 8 p.m., at the home of Mrs. Howard Mohn, 150 Dutra Way, Centerville.

An executive board meeting was held Monday, November 22, at the home of the president, Mrs. Lester Courson. Those present were: Mrs. Arthur Karlstedt, vice-president; Mrs. Fredrick Ludden, secretary; Mrs. Charles Snow, treasurer; Mrs. Dean Davenport, philanthropic; Mrs. Denett Doshier, social and hospitality; Mrs. James Herd, ways and means and Mrs. George Keller, membership-chairmen.

Marble statues in Sutro Gardens in San Francisco came to the city as ballast in ships from Belgium and other parts of the world.

WHAT'S DOING

S. D. Smith, your Telephone Manager in Niles

A \$1 telephone call saves farmer \$400

Gus Holman, pointing, is one farmer who really appreciates his telephone. He and his brother farm 227 acres of rice and other grains near Butte Four Corners, Calif. Not long ago, they needed a tractor fast. They couldn't find one nearby at the price they wanted to pay. So they went to their telephone. With one call, they found just what they wanted. . . and saved \$400. Cost of the call: \$1. "Our telephone pays us back a lot more in time and money saved than it costs us," says Mr. Holman. And that's the aim of telephone people everywhere — to bring you the good service you need to get things done quickly and easily . . . and to bring it to you at prices easy on your pocketbook. Pacific Telephone works to make your telephone a bigger value every day.

Portable telephones—like having a telephone in every room

Yes, you can carry your portable extension telephone with you everywhere you go in and around the house. In the kitchen, upstairs, or even out on the patio, all you do is plug your portable telephone into a conveniently located outlet. There's just a small nominal installation charge for each outlet. And you can order as many as you want. The portable telephone itself costs no more than the charge for an ordinary extension—just pennies a day. And, with enough outlets it's like having a telephone in every room. You can order your portable telephones at your Pacific Telephone business office.

Long distance is three times faster than it was in 1945

With your help we've cut the average time in completing a long distance call to about one-third of the average 1945 time. Today, operators in about two thousand cities dial direct to millions of telephones throughout the country. That's why, when you give the operator the long distance number you want, she can complete your call much more quickly. In fact you can save an average of two minutes per call this way. Pacific Telephone.

WE ARE ON TIME

To keep pace with the unprecedented growth of the Washington Township Area, Pacific Telephone has started construction on a new ultra-modern dial exchange at 103 W. 2nd Street in Irvington. Ground was broken late in June of this year for this one story reinforced concrete building which will house the equipment for the three existing exchanges of Irvington, Mission San Jose, and Warm Springs. The building will be ready for the installation of the dial equipment by April of next year and late in the same year all work will have been completed and the office will be ready to serve the hundreds of new families who are making their homes here. Our schedule is being met and we are on time.

Pups Edged In Finale, 19-13

By Jerry Sanford
The Washington High Puppies ended their 1954 grid season with a record of three wins and four losses as they were defeated 19-6, last Thursday by the Campbell B's at Campbell.

Although consistently pushed backward by Washington's line, Buccaneers capitalized on two long runs to set up their first two scores, and a 65-yard run accounted for the other touchdown.

Campbell scored first early in the second period from the one-yard line after they had started on their own 24. They advanced on runs of 13, 27, and 12 yards, interspersed a few short aerials in between.

Johnny Adams took the following kickoff on his own 18 and got to the 34, but Washington was forced to punt after three tries could gain no yardage.

The remainder of the first half was a seesaw battle between the two clubs and the session ended with the Pups in possession of the pigskin, but behind, 6-0.

The Bucs made their second score later in the third period from the 10-yard line after an Adams pass had been intercepted on the Washington 40.

The extra point was added, and Campbell led, 13-0.

Washington threw the Buccaneers for heavy losses throughout the rest of the contest.

The Pups scored their only touchdown midway in the final period after they had taken over on downs on Campbell's 49. On the first play Marin went for 4 yards, then Adams flipped a pass to Gary Payton, who was downed on the 10. After an incomplete pass and a recovered fumble, Adams shot an aerial to Jesse Medina in the end zone for the TD. The conversion failed.

The Washington tacklers continued to maul the Buc ball carriers except for a 65-yard TD run in the closing minutes of the game.

Huskies End Injury-Hit Grid Season

By Jerry Sanford
Washington High's Huskies ended their 1954 football season with a record of 2 wins and five losses. The victories were over Carlmont, 13-6, and favored Los Gatos, 6-2.

The Orange-and-Black record might have been just the opposite had it not been for injuries to key players such as Conrad Preciado, one of the SCVAL's top guards, halfbacks Jess Pineda and Ernie Soto, and fullback Ron Masuda. These four players were out more than half the season.

The absence of Pineda and Soto gave little Eddie Fletcher a chance to display his gridiron talent. Fletcher did a remarkable job this year for Coach Clyde Voorhees. His size is no disability as he proved this year and everyone will agree that he is about the best halfback in the league.

Seniors who played their final game for Washington were Craig Bellati, Ken Gallo-way, Albert Hernandez, Fletcher Greathouse, Jerry Lizardo, David Koelsch, Jim Moore, Mervin Pinto, Ed Sylvia, Mel Sackett, Conrad Preciado, Rich Martinez, Frank Martin, Ed Fletcher, Steve Mento, and Al Rodriguez.

Jess Pineda, Ruben Espinoza, Ernie Soto did not see action due to injuries.

Coach Clyde Voorhees will lose his entire first string line but will have most of his backfield returning next year. Rang-ged, and hard to tackle, and is destined for stardom in the SCVAL.

Michael, Le Count Tied For Lead

Still leading the Thursday 800 Handicap League at Village Bowl are two Township bowling teams, LeCount Builders and Michaels' Credit Jewelers.

Michaels defeated LeCount last week, 4-0, with Tom Pappas high man for the winners with 566 and Ozzie Osborn leading the losers, with a 536 series.

Both clubs have won 26 and lost 14 matches.

Film To Benefit Parish School

A benefit movie for the current building fund of Holy Ghost parochial school will be staged here the night of December 7.

The film is Gregory Peck in "The Keys To The Kingdom," and is to be given at the Center Theatre through cooperation of Manager Russ Osborne.

Father Vincent I. Breen announces all proceeds will go to the parochial school fund, now over \$130,000.

Levee Bids Set For Alvarado

Alvarado's chamber of commerce learned last week that bids are to be let at once for a levee on Alameda Creek north of town.

The work is scheduled to start next spring, according to James Vivrette, flood-control engineer for the county.

Levees are a top priority project in Zone 3-a, which encompasses Alvarado and Hillview Crest and the lands between.

The zone was voted last year.

Huskies Lose To Campbell

(Continued from page 1)
End Craig Bellati in the corner of the end zone for the 12th point. A pass to Rodriguez made the conversion.

But only 40 seconds remained and Campbell took the pigskin and ran out the clock.

In other contests Friday, James Lick beat Los Gatos, 20-6; and Fremont edged Santa Clara, 7-0. Los Gatos and Campbell play Thanksgiving Day.

Score by Quarters:
Washington 0 0 6 7-13
Campbell 7 6 0 7-20

HUNTER SHOT

Lone reported casualty of the new pheasant season in Washington Township was Dee Shet-anian, former teacher at Niles Grammar School. Shetanian, now teaching at Los Altos, was hit in the forehead when unidentified trespassers fired in his direction last Sunday on the Prouty Ranch, near Warm Springs. His injury was superficial.

40 Sign For 'Varsity Cage At WUHS

By JERRY SANFORD
Varsity basketball practice began last Tuesday at Washington Hi. Forty boys signed up but all did not report to practice because some were still playing football.

Coach Clyde Voorhees has only three players returning from last year's squad. They are Jim Meyer, Al Rodriguez, and Don Walton. Meyer is the only returning letterman.

Moving up from last year's championship B's to help are Joe Wiltz, Tino Rangel, Dave Hempleman, Tom Rigmalden, Don Lunsford, Don Stewart and Edwin Menez.

Two fine prospects are Al Barber, a transfer, and E. F. Faulkner, a freshman. Both have stood out in practice.

Meyers who will be playing his third season of varsity basketball, is a fast, sure ball-handler and jump-shot specialist. He was over-shadowed last year by big Allan Oik. If Meyer continues to improve as he did last year, Voorhees believes he will have a good chance of making the All-SCVAL team.

S.F. Booster OKs Newark 'City'

The Citizens Committee studying incorporation for Newark, in need of \$1,000, got a boost from an unexpected source last Thursday.

H. T. Thompson, 585 Laurel Street, San Francisco was in Newark that day looking over some property he owns. During the course of the visit he stopped at the Fire House. There he was informed of the Citizens Committee study.

Thompson declared: "You fellows have the right idea and just to show I'm serious, here is a check for \$10."

When Chief Joe Pashote turned the check over to Leonard Lucio, finance committee chairman, Lucio remarked that if Thompson thought that much of the Citizens Committee work and he lives in San Francisco, then it is good enough for Lucio too. He sat down and wrote a \$10 check to match Thompson's donation.

Lucio and Pashote hope the San Franciscan's \$10 check may open the gates for a flood of individual contributions to the Citizens Committee.

TO WALK OR NOT TO WALK

Decoto Sidewalk Row May Be Decided By Supes' Poll

A poll by mail may determine the fate of Decoto's sidewalks, anti-sidewalk factions.

Instead the supervisors postponed decision last week at a public hearing in Oakland, and set another one for December 2.

Meantime they indicated, they will seek advice on whether to mail questionnaires to Decoto residents, asking the answer directly from the citizenry.

Last week protesting petitioners lined up 44.7 percent of the town's property-owners, asking that sidewalks be dropped. This however was not enough to force abandonment of plans to form a taxing district to build the sidewalks. Fifty-one percent was needed.

Supervisor Chester Stanley, explaining board feeling, said: "I am not ready to vote on this matter now. We know that this is something that is needed, and it will have to come someday, but we are not sure that it is the wish of the majority of property owners."

When Manuel Hidalgo, proponent of the plan, pressed for a decision, Stanley replied: "If you are going to force the issue today, the answer might be to vote the project down."

Attorney Gene Rhodes, representing the dissenters, and Engineer Eugene Sturgis were directed to report December 2, with recommendations for conducting the proposed poll.

Rhodes promised that there would be no more organized opposition to establishment of the district within Decoto, should this poll prove that a majority of property holders favor sidewalk construction at this time.

Property adjacent to Highway 9, between Decoto and Whipple roads will be removed from the district, it was agreed unanimously by the Supervisors.

Take The Hunger Out Of Your Diet

Now at last, you don't have to feel hungry while dieting. If your present reducing plan leaves you "half starved" between meals, lacking the vitality you want and need, with feelings of mental and physical exhaustion... there's a new, easy-to-follow, low-calorie diet just for you!

Recommended by leading nutritionists, it ends the unpleasantness so often associated with dieting—and the discouraging tendency to regain lost weight. It even lets you enjoy many of the foods you like best. This new diet features a glass of whole milk at each meal... and provides the staying qualities that low-calorie reducing plans of the past have lacked.

The old approach was to lower the fat intake to a minimum and keep the carbohydrate level moderate. The new diet, however, is high in protein, moderate in fat and low in carbohydrates, reflecting latest nutritional thinking.

There is just no need for you to suffer through an unworkable reducing program. If you want to shed unwanted weight in a sensible, pleasant manner, write today for a free mon-series that will enable you to lose up to two pounds a week. Just address East Bay Producers' Milk Council, 619 Sixteenth Street, Oakland 12, California.

GLENMOOR GARDEN NEWS

By SARAH JANE PHILLIPS

"Pass the stuffing," was the cry in many Glenmoor homes as friends and relatives gathered for holiday festivities. The flow into Glenmoor was countered by a similar flow to other places for just as many seemed to be going away for Thanksgiving.

Mr. and Mrs. Willis Huth, Rogers Ave., are entertaining her folks, Mr. and Mrs. A. W. Turville from Portland, Oregon. They will stay here for the long weekend.

The Mattsons have her family, Commander and Mrs. S. J. Miller and Mr. and Mrs. Ralph Hakanson, for dinner.

Mr. and Mrs. Ralph C. Vogt, Mattos Drive, are hosts to 17 including their daughter's family, Captain and Mrs. Wm. LeGro and their four children from Fort Ord, son Ralph and his family from San Leandro, and Jack W. Vogt and his three children from San Lorenzo.

Three neighboring homes on Mattos are bursting with holiday feasters today. The Barretts are expecting between thirteen and fifteen guests, the Tauschecks will have about twenty relatives and the Peters home will hold thirteen friends and relatives coming from Vallejo, Santa Rosa and Richmond.

The Tom MacFadyen's are spending the day in San Francisco at the home of his parents, Mr. and Mrs. Archibald MacFadyen.

Mr. and Mrs. Ted Meiring and family of Sterling Court go to Richmond to the Kenneth Meirings for the day.

The Goforths of Evans Avenue go to Hayward to spend the holiday with her mother, Mrs. H. R. Hobson. Twelve people will make the family cheer warm.

The Jay R. Jibsons of Glenmoor Drive are traveling to Redding to visit Mrs. Jibson's sister, Mrs. Verne Williams.

Mr. and Mrs. McClintchey, new residents on Eggers, will drop the un-packing and postpone the shelf-paper laying for a quiet day at the Livermore home of his mother, Mrs. Elizabeth McClintchey.

Santa Rosa is the destination for the Spencers, Glendale Dr. They are visiting Mrs. Martha Kemp, his sister.

The Mentos go to San Francisco to the home of his mother, Mrs. Florence Mento.

Naturally Mrs. Grabendike will take the pies when the family gets together at their son's home in Castro Valley. Mrs. Grabendike has a secret formula for perfect pies every time. The family always plans a fancy kind of potluck for the holidays.

The Fritch family goes to Chico to celebrate with her brother's family.

Big game football enthusiasts from Glenmoor last Saturday were the Vernon Millers, the Mervin Mentos, and the Key Spencers. The Spencers made it a really big weekend by attending a square-dance at the Chief's Club at Oak Knoll, Saturday night. Mr. and Mrs. Emery Peters joined them at the Club.

Four-year-old Douglas Clark is bandaged up to here. While at play November 12 the little fellow hurt himself and it turned out to be a broken collar-bone. He is doing a good job of being a model patient — hasn't whimpered a bit. Weekend houseguest at the Clark home on Rogers Ave. was Miss Eliza Mae Cannon from San Francisco.

The Jack Allens on Glenmoor Court entertained Joseph Feigen from Modesto November 15. He is a business associate of Jack's and came for dinner and for an all-night stay.

Ted Meiring has taken to the sea. He has bought a new boat, a 16-footer, and has been practicing up on his new swash-buckling gait so he can scare the fish into biting.

The Ralph C. Vogts on Mattos Drive won the picnic basket at the U-Save Market drawing. The Vernon Millers have won free groceries twice.

Dinner guests at the Shelley home on Glenmoor Drive on the thirteenth were Mr. and Mrs. Claude Snellgrove from Menlo Park. They spent the evening at cards.

The Spitzers lawn is up one inch. That means the biggest job is done. So Mr. Spitzer gets an offer of the job as District Manager for the Caterpillar Tractor Company in Salt Lake City. What could anyone do? The Spitzers will leave as soon as their house is sold.

All the cars parked in Glenmoor Court last week were there because Mrs. Mento was entertaining her sewing club from St. Cyril's. The ten ladies who were her guests to lunch were Mrs. Jack Mulgrew, Mrs. Thomas Higgins, Mrs. Jerry Healey, Mrs. James Cusack, Mrs. Bill Spaulding, Mrs. Wm. Schroeder, Mrs. Bill Alvors, Mrs. John Peters, Mrs. Bill Bradley and Mrs. Paul Murray.

Mrs. MacFadyen's sister, Carol Warner of Los Altos, will be married December 18. Last Saturday night the MacFadyen's gave a dinner party for the bride-elect. Attending were her fiancée, Tom Mott and about twenty of their friends from San Jose State and "Cal".

Showers from heaven. The Maurice Enos household, Norris Road, was showered last weekend with crabs, live and wriggling. All the neighbors, the Clarence Vilhauer household, and the Tony Enos' home on Rogers took part in the bounty. The telephone wires were busy as everyone tried to find out how to cook crab, live and wriggly ones that is.

Next Wednesday members of the Carob Branch of Children's Hospital will meet for lunch at the home of Mrs. Harold Oliver in Oakland. Mrs. Oliver is director of the branches and at that time final plans will be made for the setting up of the new organization.

Last Saturday night Jackie Vogt and Marsha White were hostesses to the younger set at a party at the latter's home on Glenmoor Drive. The guests included the following: Joan Ross, Shirley Broadhead, Janet Faust, Nadine McKenzie, Judy White, Wanda O'Mara, Jackie Evans, Donna Bettencourt, Dave Koelsch, Craig Bellati, Kenny Vierra, Jerry Meyers, Jim Meyer, Joe Alter, Bob Marin, Steve Mento and Allen Selover.

Glenmoorites may now be proud of their own basketball team. Last Friday night the nine-to-twelve year old team under Glen Camper met the Newark Recreation District team under Mel Nunes and the Glenmoor team was triumphant. The following players took part: John Beumer, Jimmy Marin, Tom Smith, Jackie Martin and Douglas Ward. The game was very close with the Newark five taking the lead in the early part of the game; final score, Glenmoor 17, Newark 12. Jackie Martin had 8 points, Tom Smith sank 6.

Birthdays in the news: Roger Ebbage was seven "with a will" Sunday afternoon. Fourteen guests helped him celebrate: Bobby Fritch, Jimmy Johnston, Doug Browne, Ken Selover, George La Far, Mike Norris, Pol-ly Phillips, Susan Jesse, Deborah Spencer, Penny Moor, Joanne Brazil, Libess Loze, Tommy Tenner and Wayne Amaral. Brothers Ted and Steve were there to help eat the cake and his sister Luanne had to help serve it.

Joe Allen of Norris Road was 14 on the seventeenth.

Frank Nunes will be one year older the 28th.

New residents: The Joseph A. McClintchey (Catherine) family moved into 456 Eggers Drive on November 12. They have one married son, William, who lives in Danville. Mr. McClintchey owns the Hayward Butane Company. Their cocker spaniel is named Cinders.

James G. Gruenwald (Mickey) moved into their new home at 317 Glenmoor Drive on the fifteenth. They came from Covina, California and have one son, two-year-old David Michael.

The new home at 386 Glenview Drive is now occupied by Mr. and Mrs. Charles W. Ohlin (Phyllis) who moved from San Lorenzo on the sixth. They have two children, Susan Anne, nine, and Gerald Charles, 20 months old. Mr. Ohlin works for Chrysler Corporation, Dodge Truck Division in San Francisco.

The John Rosiers (Dimple) moved into their home, 432 Whitfield, the first part of the month. They came from Oakland and have three daughters, Gloria, 25, and Rosellen, 19, work for Gersbers Baby Food. Donna, 15, goes to school in Centerville. Mr. Rosier works for the Pacific Coast Aggregate Company in Brisbane.

Lafayette Avenue, Decoto, is losing some of its neighbors. First, Mr. and Mrs. Jack Jorgensen, of 1463, sold their house and moved back to an Oakland apartment; now Mr. and Mrs. Joe Valdez, of 1469, are selling their home and will move to Fruitvale.

Joe Mendonza, of Old Town, Niles, had a heart attack and is staying at his daughters, Mrs. De Vale, of Third Street.

Mrs. Audrey Gilmore, of Third Street, has been very ill. Both her mother, Mrs. Margaret Taylor, of Hayward; and her aunt, Aldina Kale, of Niles, are caring for her.

Mr. and Mrs. Clarence Hatter, of 366 Cerritos Street, Newark, have moved into their new home. They formerly lived in Hayward.

Congratulations are being received by Mr. and Mrs. Francis Duarte, of Duarte Avenue, on their first child, Kathleen Ann, born September 18, at the Alameda Hospital. Parental grandparents are Mr. and Mrs. Frank Duarte, of Niles. Maternal grandparents are Mr. and Mrs. Manuel H. Mello, of San Jose, (formerly of Main Street, Centerville).

New officers of the Holy Rosary Church Guild, of Decoto, will have a Christmas party, at the church, December 14, at 8 p.m.

Mr. and Mrs. Joe Andrade, of King Avenue, and family, William, James, Alice, and Dorothy Soto, of Decoto, went to Santa Cruz for dinner at Mr. and Mrs. Robert Cortez, their daughter and son in law. Dorothy is James' fiancée.

Mrs. Elsie Shaffer, of Niles, celebrate her birthday last week.

A marriage license was issued to: Ascehion Flores, 60, and Maximina Vasquez, 55, both of Decoto.

Mrs. Lorraine Duarte, of Duarte Avenue, has been ill but is now on road to recovery.

Irvington Community Presbyterian Church, is staging its annual bazaar, food sale and luncheon on December 3, beginning at 11 a.m. The public is invited.

New residents on King Avenue, are Mr. and Mrs. Richard Shaffer and family, Gerry, 12, Charlene 5, and Lonnie 2. Mr. Shaffer, is employed at the helicopter factory. They came from Oakland.

Due to the increasing demand for maple furnishings, Mrs. Betty Nelson has been busy buying merchandise for the enlarged maple section of Town and Country Home Furnishings.

Mr. and Mrs. Teodosio Olacia, of 736 V Street, Alvarado, are proud parents of a five-pound eleven-ounce baby girl, Donna Lee, born November 19, at Eden Hospital, Castro Valley. Incidentally it was the first baby born at the new hospital.

Mr. and Mrs. Jack Rowlett and Mr. and Mrs. Rex Rowlett, of Centerville, will have Thanksgiving dinner at Mrs. Mae Watkins, of Decoto.

Mission San Jose Girl Scouts had their first meeting at the home of Mrs. Anita Breton, of Cabrillo St. She was assisted by Mrs. Shirley Kolkana.

Centerville Bethel of Jobs Daughters, are thankful for the response to their rummage sale, held Saturday. The proceedings will benefit future club activities.

Mrs. Gaye Mayo, of 705 Cherry, Newark, celebrated her birthday, November 22.

Walter Labotto, of Centerville, is now associated with Town & Country Home Furnishings, on Thornton Avenue.

Lost: Lady who lost badge W. S. I. No. 27, call at Thrift Mart, on Thornton Avenue, Centerville.

Mr. and Mrs. Danny Vrisimo, from Santa Rosa, are visiting here and will be moving to the area in the near future.

Another glorious event in the household of Mr. and Mrs. Richard Kennedy, of Decoto Road! A baby boy, Robert Louis. Visiting is Robert's great-grandmother, Mrs. Clara H. May, of Decoto. Parental grandmother is Mrs. Gertrude Kennedy, of Hayward, and maternal grandparents are Mr. and Mrs. Lou Newfield, of San Leandro. Robert's older brother, Richard Charles, Jr. is 23 years old.

Mrs. Mann, of Centerville, entertained three of her old school friends, for lunch, Saturday, Mrs.

William Last, from Burlingame, Mrs. Rob Mendel and Miss Mary Jo McDonald, of San Francisco. Mr. and Mrs. Frank Duarte, of Duarte Avenue, spent the week end at their summer home, in Pacific Grove.

Miss Mary Duarte, of Niles, will celebrate her birthday November 26.

Mrs. Emilia Faria Serpa, of Warm Springs recently received her United States Citizenship.

Ann Lee Vargas, of Niles, had a surprise party November 19, on her thirteenth birthday.

William Andrade, of King Avenue, will celebrate his birthday, November 27.

Mrs. Minnie Mesquita, of Old Town, Niles, has been ill.

LaVerne Soto, of Harley Road, Newark, celebrated his birthday last week.

Rev. Lively Crawford and Mrs. Maxine Crawford, of 1100 First

Street, are the proud parents of a ten pound-ten-ounce baby boy, Robert Lee, born at St. Paul Hospital, Livermore, October 28. Mr. and Mrs. Frank E. Pinto, of Walkins Street, Alvarado, were blessed with a baby boy, Edward Francis, born at a Hayward hospital. Christening will take place, November 28, at St. Edward Catholic Church, Newark. Godparents will be Mr. and Mrs. Manuel C. Pinto, Jr. Following

the ceremony, dinner will be held at home.

Elaine Rebello, of Niles, is attending business college in Oakland.

Mrs. Mann, of Centerville, held a banquet at the International Kitchen, last week, for 35 friends. Hostess were: Mrs. Clyde Voornees, Mrs. Vincent Kaehler and Mrs. Lester Mann, of Centerville. Mr. and Mrs. Dan Rose, and their children, Danny Jr., and

Diane, of Second Street, Niles, and Mr. and Mrs. O. A. Pacheco, of Monterey, are having Thanksgiving dinner, at Mr. and Mrs. Anthony Coelho, of Centerville. John Perry, of Second Street, celebrated his birthday, November 24.

With Thanksgiving here, neighbors of Nancy Perry, of Third Street, are drooling over her quacking ducks. Lawrence Rose, of the Sun-

rise Bakery, Centerville, celebrated his birthday, November 24. Mrs. Mamie Mederias, of Third Street, had a full house Sunday. Visitors were, Mr. and Mrs. Maurice Enos of Centerville, Mr. and Mrs. Lawrence Robertson of Bakersfield, Mrs. Choluta Simmons and Mr. and Mrs. B. Gotelli (formerly of Niles) from San Francisco, and Mr. and Mrs. Joseph Calderia (formerly of Newark) from East San Jose.

Wishing all my readers and friends, a very joyful Thanksgiving!

AT LOAN CONFAB
John L. Stevenson of Centerville, director of the Livermore National Farm Loan Association, will attend the conference of directors of Central California's 16 national farm loan associations in Carmel, November 29 and 30.

Highlights of Big Irvington Shopping Center

By GEORGE H. OAKES

At the Irvington Chamber of Commerce the plans of the proposed 32-acre "Irvington Shopping Center," of the Stanley Davis company, for the corner of Irvington highway and PG&E Road, was shown the large group present. This proposed unit would become the largest of its kind in the Township, being gauged for serving on a township scale.

It was emphasized by John Stevenson, who presented three big maps on the proposed plan seen by all on the wall, that this was a development toward the future, on possibly three steps. Its first purpose would be to attract large mercantile establishments like I. Magnin or Capwell for selection now for future expansion. Right now, he felt that a recommendation, he suggested, would make the future of this area possible for big home expansion to meet the 3,000 new homes which Stanley Davis aims at, besides giving prominence to the Township's thinking in terms of its own growth. Some thought it would insure against other towns nibbling off parts of the Township, by giving a big impetus to a center the like of which now is not to be found between Oakland and San Jose.

President A. E. Alameda called on Neal Butler, architect and project coordinator of the plan prepared by Victor Gruen Architects for this area. He said this architectural firm planned the biggest shopping area planned just outside of Detroit, on absolutely proportionate circumstances which achieved fame for that area, because they realized the future growth in time.

This Davis plan was of township proportions to serve all the way to Milpitas, different from neighborhood shopping centers built around each subdivision.

The wide highways as planned represent rapid and easy handling of traffic to the only big area now left capable of being expanded to big heights in the south of Alameda County. So said Butler, the architect.

GIANT CENTER—Proposed north of Irvington is \$4,000,000 shopping center (above) designed to serve Township of 50,000 people, according to John L. Stevenson and Stanley Davis, promoters of the big establishment. Stevenson and Davis are seeking to have corner of PG&E Road and Highway 17 rezoned for retail business so they can build the huge center. Central portion would be city-type department store, flanked by children's store, market, specialty shops.

Irvington School Paving Bids In

J. H. Fitzmaurice of Oakland was low bidder last week on paving and parking facilities at the enlarged Irvington Elementary School.

The Fitzmaurice bid was \$8284, according to District Supt. Gus Robertson. It was forwarded to county officials for checking.

Parking is to be provided for 35 cars, and a large portion of the present yard will be blacktopped, under the contract.

Bodily Wins \$520 Claim From ACWD

Payment of an additional \$520 to a subdivider, Dan Bodily, for benching the side of the gravel pit behind his Valle Sierra tract at Niles was authorized last week by the Alameda County Water District.

The cost had been split three ways between the district, Bodily, and the seller of the property, Mrs. J. C. Shinn. However due to a misunderstanding, Bodily was paid on the original estimate, not on the final cost of the job — \$3900.

Director Jack Prouty successfully moved for the additional payment saying Bodily's work, plus a safety fence he is installing, actually saves the district money it would otherwise have had to spend.

Try totally new power

EXCLUSIVE TRIGGER-TORQUE PERFORMANCE FROM 3 MIGHTY ENGINES

Your first test run will convince you this is no ordinary car. You move out swiftly and quietly... with all the power you'll ever need for safe passing and smooth, easy hill-climbing. And you can enjoy this exclusive

new Trigger-Torque performance in any one of Ford's 1955 models, whether V-8 or Six. You can choose from 3 mighty engines: the new 162-h.p. Y-block V-8 with higher compression and greater displacement;

the new 182-h.p. Y-block Special V-8 with extra-high compression and 4-barrel carburetion (available with Fordomatic in Fairlane and Station Wagon models); or the new 120-h.p. I-block Six, the industry's most modern six.

Choose from 4 new lines...16 body styles

New FAIRLANE series

The Fairlane Victoria shown at the top of this advertisement features a completely new and ultra-smart body line. Inside, you'll discover rich new upholstery fabrics never before offered in a car.

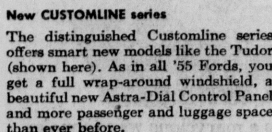

New MAINLINE series

You choose from three beautiful new body styles including the Fordor (above). All have Ford's new Trigger-Torque performance and new Angle-Poised Ride. And choose Fordomatic, Overdrive or Conventional.

New STATION WAGON series

For '55, Ford offers five distinctive new station wagons: the 2-door, 6-passenger Ranch Wagon and Custom Ranch Wagon; the 4-door, 6-passenger Country Sedan (illustrated); the 4-door, 8-passenger Country Sedan and Country Squire.

PLUS ALL THESE OTHER BRAND-NEW "WORTH MORE" FEATURES

- ★ New Speed-Trigger Fordomatic Drive has an automatic low gear for quicker starts and better passing ability.
- ★ New Turbo-Action Spark Plugs resist fouling, maintain operating efficiency up to 3 times as long as ordinary plugs.
- ★ New 10% Larger Brakes mean smoother stopping and up to 50% longer brake lining life.
- ★ New Tubeless Tires offer extra puncture and blowout protection, longer tire life.
- ★ New Dual Exhaust System on V-8 engines in all Fairlane and Station Wagon models reduces exhaust back pressure for more responsive power.
- ★ New Torque-Tailored Rear Axles give you just the right over-all drive ratio for brilliant Trigger-Torque performance.

(Fordomatic, Overdrive optional)

THANKSGIVING

If our lives are really worth living

There are many reasons for Thanksgiving.
First to God for making us free
And then to America; land of liberty.

To our flag that gives us the privilege

To proudly stand up and say,
"I pledge."
Thanks, too, for the abundance
of food we eat

And all our good friends we
daily meet.

Thanks to the skies for water,
the underground for oil;

To the industries of our cities,
the fertility of our soil.

To our fellow Americans for
what they have done:

Inventing, improving, making
our life a comfortable one.

On and on, oh, the list seems
endless

Of the persons and things
we thank for our largess.

But as we pray, God will hear
our call

And Thanks-giving to Him will
bless them all.

Around town as you gather
together for your family
dinners tomorrow, we hope your
hearts are light and your tables
full.

Last week we mentioned that
the phone book (Township
section only) was a fountain of
material and we hope the wonder-
ful people whose names we
used then and the ones we
shall use in the future will see
that we are only jesting. . .
like a finch when we say. . .
hearing the Finch and Spar-
row chirping on the Twig of
the Pine tree is Easley the
sweetest Musick to our ears
during the Long Winters.

On top of that we heard
that Auchard Park is a Kol-
berg during the Winter, but
that it is even Kohler in Ir-
vington, and just plain Cole
elsewhere.

When will your name appear
. . . and how?

Hey boy, before they hand
you a violin walk (or ride if
you're lazy) over to 4 Sycamore
Street between the L & L and
the Community Center and
when you see the spinning
peppermint stick just open the
door and say, "hy ya Paul."
You'll be talking to Paul
Brewer, a good barber and a
good guy who has been "clip-
ping" people for twelve years
the last seven in a shop
of his own, oddly enough cal-
led Paul's Barber Shop, up in
Oakland. Paul, his ever-loving
Mildred and their three little
Brewers, Bobby, Douglas and
Nancy have been living in New-
ark, at 2635 Wilma Street to
be exact, for more'n a year and
Paul has been active in Cub
Scouts. Glad to welcome him
all over again as a business-
man and hope he has lotsa
hair sweepings for the ash can
come sunset. . . he sez his
shop hours will be 9 to 6.

Mentioning the hair sweep-
ings, and ascan caused us to
have a brain wave reminding
us that the Washington Town-
ship Dump & Garbage Service
has started garbage pickups in
competition with East Bay.
Wonder if their business is
"picking up?"

The Louis Milani family was
among the throng at the "open
house" at Fort Ord last Satur-
day. The magnet that drew
them there was one of their
family who recently was "ad-
opted" into the biggest family

a happy family. . . they still
are.

Judith Ann Stewart, daughter
of Mr. and Mrs. George Ste-
wart, celebrated her fifth birth-
day on Wednesday, November
17 with a fundeful party where
all the small-fry friends of
Judith were principal char-
acters in home movies taken of
the party. Enjoying refresh-
ments and the "acting" were:
Mickey Milan, Anita and Linda
Stotts, Gloria Anne Gularde,
Linda Eagler, Curtis Perry,
Cathy Nunes, Shirley Holder
and Jimmy Limas.

Shortie greetings to birthday
celebrants come over the wires
even on holidays so here is a
happy birthday. . . to sweet
little Kathleen Goularte who was
fascinated with that one tiny
candle flickering on her first

to Kenny Gorman as he
celebrated his ninth. . . to
Florence Seymour who will be
celebrating today. . . to Lonnie

Steven Betschart who celebrates
his fifteenth tomorrow too. . .
to Don De Camera as he marks
another year on Thanksgiving

Jack and Pat Binder cele-
brate their "lucky 11" in the
line of many happy wedding
anniversaries, which are re-
served exclusively for them.
Thursday, November 25. Sure'n
this twosome has a special
reason for thanks-giving on
Thanksgiving. . . and Jack,
when you hold your little red-
head's hand don't get flustered
and flub your lines. . . just

Harold and Marion Caldeira
won't have any trouble remem-
bering the birthday of their
newest arrival, Brent Joseph.
The little fellow stretched out
his strong body his full nineteen
and half inches and summoned
all the power his six pound
thirteen ounces could put into
that first and most important
"whaaa" in his lifetime. He did
all that in San Jose Hospital
on Thursday, November 11,
which is Armistice (Veteran's)
Day. Baby Brent joins Brian,
Bruce and Doreen in the happy
and growing Caldeira family.

T/Sgt. Arnold Silva and his
darling Darlene hurried right
up from Fort Ord last week-
end to see their new little
nephew, Bren Caldeira, so you
can see this little fellow is a
real attraction.

Looks like it will be Europe
next for Arnold and Darlene
will get to accompany him over-
seas. . . real great for them.
But first they expect to enjoy
a lengthy furlough right here
at home.

Last week when the E. O.
Pierces and Ed Brazils crated
their belongings from Newark
to the new home at 107 Stah-
man Court, Irvington, which
they will share, it meant the
moving of an "institution." E.
O. and Flossie Pierce had lived
in Newark for twenty years
(of course Ruth (Pierce) Brazil
grew up here) and just when
they were really becoming a

part of the scenery, they up
and transplant their roots to
our booming neighbor town.
E. O. has been noted for his
"green thumb" here and he
will be hoping his magic will
work well in Irvington. They
will still be around town day-
times though. . . E. O. at West-
vaco, Flossie at Rheem and Ed,
of course, at the Gaunt-Brazil
Texaco station.

We see the Lions Club has
set Sunday, December 5 as the
date for their annual card
party. As usual it will be held
at Washington High and Art
Belshaw will be chairman.

Francis "Skip" and Marie
James and their sons Mike and
David have just returned from
a perfect vacation trip. They
started off with a visit at Clear
Lake with Marie's folks and a
"solo hop" over to Reno and
Virginia City for a change of
pace. Then they went on up to
Elk (wonder if there is a Moose
club there. . . Moose, Elk. . .
forget it, dear) in Mendocino
where they did some fishing
and lazing around between cat-
ches of sea trout, perch and
rock-fish. On the way home
they stopped in Ukiah for a
weekend with Skip's mother,
Mrs. Mary James.

Mrs. Fred Muller spent an en-
joyable weekend at Davis
visiting with her son, Fred and
his family.

We see Newark has its own
Godfrey (Alvin) but we don't
know whether he is related to
THE Godfrey or even if he's a
fan of La Rosa. . . juss thought
you'd like to know. Why?
That's a good question.

The George Stewarts had a
pair of welcome weekend guests
over the 13 and 14th when
Margaret's parents, Mr. and
Mrs. Alfred Thompson, came
up from Chowchilla for a visit.

We see Mr. and Mrs. Art
Cotton have Bobbie and Les
Kious at their Thanksgiving
table along with another
daughter, Marjorie Cotton who
is home for a few days from
her Fremont High (Sunnyvale)
teaching position. You can bet
that plenty of their conversa-
tion will concern the missing
member of the family, Ruth,
who will be celebrating Thanks-
giving with her hubby Pfc.
John Lambert in Germany.

Walter and Dolores Lindsay
will be entertaining in their
lovely new home and Mr. and
Mrs. Clyde Lindsay, Kenneth
Lindsay, Mr. and Mrs. H. J.
McDermott, Butch, Maryann
and George, along with PFC.
Kenny Chapman, home on
leave from Germany, will be
their guests.

We see Fred and Helen

PROMOTE PROSPERITY

Alameda Creek causes annual damage to the area in wet years. In January, 1952, alone, flooding cost this region \$2,000,000 in damage to homes and farms.

Lack of storm-water drainage now threatens to halt development of the Central Township, bringing loss of employment and property values.

Irvington, Eden Township — in fact the rest of Southern Alameda County — have taken united community action to solve the flood-and-drainage problem. They are moving forward as a result.

On December 7, people in Niles, Decoto, Centerville and Newark have a chance to vote on \$3,987,000 in bonds which would bring into operation Flood Control Zone 5.

Sold only as needed, the bonds would increase taxes **NOT MORE THAN 90 CENTS PER MONTH** on the average home.

WHY?

HOW?

With the money, covered or fenced channels will be built to carry storm waters to the Bay, to dredge and clear the openings of Alameda Creek, to buy land and bulwark levees.

The bonds will clear the way for expenditure of an estimated \$5,000,000 by the Federal government to straighten Alameda Creek and eliminate for all time the peril of floods.

The Editor's Corner

It's way past Christmas layaway time, but Robin Ray, eight-year-old daughter of Dr. and Mrs. Hubert Ray of Mission San Jose, isn't taking any chances. Robin has wanted a canopy bed ever since she can remember. The other day she marched into Walt Chrysler's Mission Maple House, picked out one she liked, and made a down payment. By applying her allowance each week, Robin figures to own the bed by the time she's 13. Meanwhile, hands off, you shoppers.

Sightem of the week: an engineer in overalls, dismounted and picking walnuts during a freight stop at Morrison and Overacker avenues.

Howard Riggs, owner of the busy, busy Quality Meat Shoppe in Niles, is an avid aviator. Flies every weekend. Howard is dealing for a four-seater plane. Family been complaining?

Up at our house I get home so late so often my wife and I usually see most of each other at the late TV show over a glass of milk. This is having a weird effect: I'm leaning toward peg-pants, belted jackets and straw hats, while she's liable to break out in a frizz hair-do and a Limey accent any day now. Or haven't you seen those movies they resur-

SUZY SEZ...

Those turkeys near Mission San Jose looked carefree last week. Not a worry about oyster, celery, or chestnut stuffing! It's different today!

Even if you don't do it the other days of the year, it would be nice to say grace before Thanksgiving dinner.

This year, let's see that our children receive a small toy or book instead of that candy from Santa and the P.T.A. Most of it gets thrown out by the mothers.

Every time she's tempted to break a traffic law, a Niles lady calls herself a "woman driver" and doesn't do it. She says she won't have the men saying it about her.

Have you noticed that as each town is built up, the tract names become forgotten?

Hooley for the end of the football season! Now we can get some work done by husbands on Saturday afternoons.

We must be awfully dirty in Washington Township. Otherwise, why so many dry-cleaning places?

I would like to see the adobe house in Newark re-built; it'd become a real landmark.

The advertisers use the same words to describe their 1955 cars and some soap products!

A Centerville woman suggests our breadmen use a pleasant-sounding whistle, instead of a horn to announce their arrival, as it done in other localities.

It's a wonder we progress at all. Some people want no changes made, and others plead for any change!

What's this I hear about an Irvington man who promised the family they could "eat out"? He bought 'em each a 19 cent hamburger!

To let friends and relatives know of their purchase of a new, very small car, a Centerville couple sent out baby announcements.

A Decoto man calls it "muttering and puttering" when he works about the house and yard.

I waited to see if those Newark boys would pull a Tom Sawyer, but they ended up painting the fence themselves.

Speaking of Newark, some evenings a speeder wouldn't have a chance. That's when three highway patrol cars meet at Olive and Thornton.

Ever notice that visiting some people you "spend an evening", but with others, you invest it?

Well, maybe we women would wear rings in our noses, if it were the fashion, but of course the ring would have to be "cute."

So long...

Water Chiefs To Speak At Decoto

Two water experts have accepted the invitation of the Decoto Chamber of Commerce to outline plans for water supplies in the Decoto area.

Slated to be present at a December 7 meeting are T. C. Binkley, engineer for the Alameda Co. Water District; and T. H. Underwood, Pacific coast manager for Citizens Utilities of California.

Underwood will be accompanied by Mrs. Katherine G. Meyer, Niles manager for Citizens Utilities.

News of the acceptances came today from Dr. Harold Schoenfeld, chairman of the industrial development committee of the local chamber of commerce. Dr. Schoenfeld's committee extended the invitations two weeks ago, when local sentiment showed concern with the move of Hayward into the Township near Decoto, a result of inadequate existing water supplies there.

Editor, Sir:
May I at this Thanksgiving time, call attention through your columns to the "S.O.S." or "Share Our Surplus" program?
By recent legislation our President was authorized to give \$300 million worth of surplus food to "friendly but needy populations," and he was directed "to make use of voluntary relief agencies" in carrying out the program.
One dollar will move 400 lbs. of milk, or \$5.00 will move one ton of milk, cheese, eggs, cottonseed oil, or wheat.
Some of the agencies handling the food shipments in this area are:
American Friends Service Committee, or "The Quakers," 1830 Sutter St., San Francisco.
Catholic War Relief, 1825, Mission St., San Francisco.
Church World Service, 83 McAllister St.
CARE, 444 Market St., San Francisco.

Passage of the amendments by such large majorities is a clear indication that the voters were well informed of their merits and we wish to commend the News-Register for the part it played in rendering this service to the voters. The results were indeed gratifying to us, as the amendments will make it possible for Alameda County to operate under a modern civil service system.

Editor, Sir:
A change in sideyard setbacks to accommodate subdividers was recommended last week to the county by the Centerville Chamber of Commerce.
With Supervisor Chester Stanley present, the chamber listened to Subdivider James R. Meyer, who said new county regulations work a hardship on builders. Meyer said they require 10 per cent of the lot frontage as setbacks on both sides of a house, including the garage. This he termed impractical.
On motion of L. S. Williams, it was agreed to write the Supervisors and request a change so that only a 5-foot setback need be left on the garage side.

Bids Total \$446,838 On Decoto School

D. Ross McClellan, Hayward contractor, last week was low bidder on additions to Barnard school in Decoto.

McClellan's bid of \$259,812 was sent to the districts attorney's office for checking.

Low bid on improvements and additions at Hillview Crest school was submitted by Indenco, Inc., of Oakland with a total offer of \$187,026. This exceeds by more than \$26,062 the funds allotted for the project.

Because of this, the bid was rejected, and new bids are to be called, probably early next month.

The Barnard bid fell within the amount of state funds earmarked for the project, according to Harold Schoenfeld, district superintendent.

Four contractors submitted bids on the Barnard project. Offers ranged as high as \$349,000.

Four bidders also submitted estimates on the Hillview Crest project, with the top figure there reading \$212,500.

Patriotism Praised To Rotary Here

A plea for a return to "first principles" of patriotism and individualism was voiced before the Rotary Club last week by James M. Wainwright, vice-president of the Oakland Bank of Commerce and a vice-president of the American Red Cross.

The speaker blistered "diluted Americans" who advocate fair play for subversives, "who were never intended to receive it under the Constitution so that they might overthrow our form of government."

Wainwright also charged "some" misguided teachers are "apologists" for the American system, instead of being its defenders. He advocated more stress on teaching the principles of pioneer America, especially its "heritage of individual responsibility."

Lack of this feeling of the individual's duties has come in recent years during which the emphasis has been on getting the State to assume such responsibilities, he said.

Wainwright cited the uproar over Secretary of Defense Charles Wilson's remark that he admired "hunting dogs"—or people who were willing to hunt their food when it got scarce, rather than "kennel dogs" who knew only how to yelp for what they want. Wainwright backed Wilson's sentiments.

The speaker said he believes America's multiple problems can best be solved by a return to real "emotional" patriotism, "which is intolerant of treason," and to the doctrine of individual responsibility as measured against government control.

DECOTO NEWS

By GRACE CAMINADA
The Decoto Community Coordinating Council has appointed Mrs. Edward L. Tindall and Mrs. Roger Cowan as delegates to the Council of Southern Communities. Regular meeting day for the local unit has been changed to the second Monday of each month.

Mr. and Mrs. Al Cadore were hosts to the Pinocchio Club at their home on November 14. Mrs. Florence took high score, the hostess second and Don Morgan low. Refreshments were served. The December meeting will be held at the Decoto home of Mr. and Mrs. A. L. Costa. This will be a potluck dinner and the customary annual Christmas party.

Mrs. Mae Watkins spent last weekend visiting her sister in Oakland, while her hubby went hunting.

Just a bit of "turkey" news—more next week.

Mr. and Mrs. J. J. Cordeiro enjoyed dinner at the home of their nephew and family, the Earl Bateates of San Leandro.

Mr. and Mrs. A. L. Costa and son, Jimmie, will dine out, either in Niles or Los Gatos for the holiday.

Mae and Lester Watkins entertained at their home. Guests were: Jack Navarro, student at St. Joseph's Seminary, Rex and Helen Rowlett, Jack and Alta Rowlett and daughter, Marian, and Mr. and Mrs. Joe Hendricks, all of Centerville.

Have a very pleasant holiday. Drive carefully and enjoy yourselves.

IN FAR EAST

Arlen C. Abbott, seaman, USN, of 133 Walton Ave., Centerville, scheduled to return to Great Lakes, Illinois, November 19 aboard the attack aircraft carrier USS Philippine Sea from an eight-month cruise in the Far East. More than sixty-thousand miles were traveled during the cruise.

Irvington Zone Hearing Dec. 7

December 7 is the date for public hearing on an application to rezone a 106-acre field on the west side of Highway 17, a mile south of Irvington, for subdivision development.

County Supervisors made this decision last week.

The acreage was set aside for agriculture when zoning for the Irvington school district was adopted last July. Hugh C. Jackson, who had a 400-home subdivision map in preparation while zoning was pending, has asked the residential reclassification.

Board Chairman Chester Stanley told his colleagues the rezoning issue was "not controversial" and urged the hearing be expedited to proceed. James B. Mack, a Menlo Park attorney, represented the subdividers.

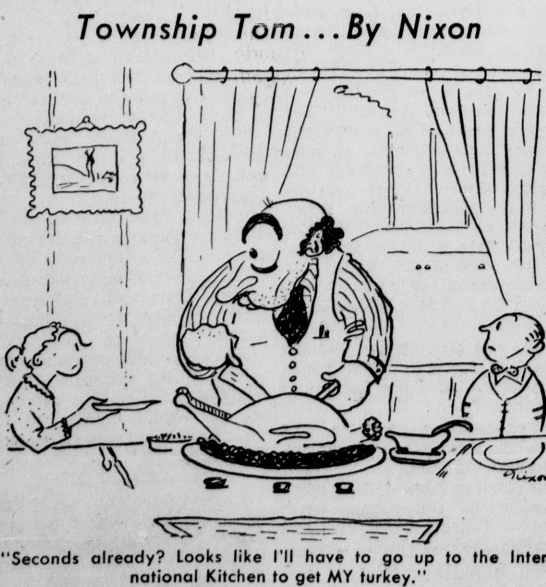

Safety Talk At Nursery School

Special visitor to Friday's session of the Humpty Dumpty Nursery School was Jim Pair, Safety Education Officer for the Traffic Education Bureau of the Oakland Police Department.

His lecture on safety was illustrated by a miniature town which was set up at the school, complete with buildings including a school, cross-walked streets, traffic lights and stop signs.

Puppets, manipulated by Pair showed the children acceptable safety practices.

Following the showing of a movie, "Motor Mania," the children in groups of five were given a guided tour of the squad car.
